

IAEA Student Show: Call for Entries

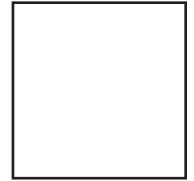

Each year the IAEA selects 40 pieces of outstanding student artwork for display at the IAEA conference, and at locations throughout the state. This show is an excellent opportunity for students across the state in grades K-12 to display their work. It also demonstrates to the public the breadth of experience young people in Illinois are getting in their art programs. This is your chance to showcase some of your students' artwork by submitting entries for consideration in next year's show. The selected work will be professionally matted. The artwork will also be framed for the duration of the show, but will be returned with only the mat. The frames are reused every year for the next show. There will be a reception honoring the winners, their teachers, parents and administrators on November 8, 2014 at our Fall IAEA Conference in Lisle, Illinois. The pickup of all artwork is the responsibility of the teacher during set dates in the summer or at the 2014 IAEA Conference Registration Table. **If the artwork is not picked up during the summer dates or at the conference and the teacher or the parent would like the artwork to be sent back to the student it will be at the expense of the teacher or parent.**

Rules:

- All artwork must be two-dimensional, no larger than 18" x 24". Collage work should extend no more than 1/4" above the surface. No work on stretched canvas.
- All work must be submitted digitally on either a CD or a DVD, with teacher's name and school printed or labeled on the disk. Place all submission images on the same disk. Disk will not be returned. All files must be in jpeg format. A digital camera is not required – 35 mm film can be transferred to a CD at most film developing stores. If you have questions about submissions, contact Eryn at the email address listed below or go to the IAEA website (www.ilaea.org) – go to the Student Show links and access the "Help in Taking and Saving Digital Images" document.
- Teacher must include an inventory sheet listing file name of each image along with the name of the student who created the work, the age/grade level of the student and the medium used to create the work. The Inventory sheet may also be downloaded from the IAEA website under Student Show links.
- All submitting teachers must be current members of IAEA (for 2014 and 2015).
- Limit of 20 pieces per submitting teacher or a total of 30 per school. Multiple entries of the same lesson will not be accepted for the show.
- Please identify other teachers, including summer contact information on the Inventory Sheet.
- Teachers will be notified of the status of their submitted entries after the judging. Accepted original work must be sent to Eryn Blaser at the address listed below. Stretched canvas, matted, framed or mounted work will NOT BE ACCEPTED. IAEA will provide these services.
- After being notified of selected work, teacher must include an entry form securely attached to the back of each work accepted in the show. The entry form is available on the website under the Student Show links.
- Teachers will be notified of the show work submission deadline.
- Please note that all our information regarding the student, artwork, teacher & school comes from your entry form. Do not abbreviate and please write legibly and take your time when filling it out.

Entry Deadline

The deadline for submitting entries to be judged for the 2014-2015 IAEA Student Art Show is **Monday, April 28, 2014**. Entries postmarked after April 28 will NOT be judged. Submit entries as soon as possible. Judging will take place the first week of May and entries received after judging will not be eligible, regardless of postmark. Any submission containing more than the 20 piece limit per teacher/30 piece limit per school will not be considered.

Entries submitted on a CD or DVD must be accompanied with a completed Inventory Sheet.
A CHANGE FOR THIS YEAR - You may submit all your entries via email to eryn.blaser@gmail.com but a completed Inventory Sheet must also be submitted either through mail or email.
