

# Warm and Cool Colors

## Visual Art Grade 1 Performance Task

**Student Name:**

**Student ID:** \_\_\_\_\_

**School:**

**Teacher Name:** \_\_\_\_\_

### Task Description

#### Task Overview

Today, you will identify the primary and secondary colors on a color wheel. You will then classify them as belonging to either the warm or cool color family. Lastly, you will draw a picture using either warm or cool colors and describe how the colors make you feel.

#### Materials

- Two sharpened pencils with erasers.
- Individual or table sets of crayons or colored pencils, including red, yellow, orange, blue, green and violet (purple).

#### Directions

- There are three parts to this task.
- Use a pencil and the crayons or colored pencils provided to complete this activity.
- Please listen to your teacher give directions.

# Warm and Cool Colors

## Visual Art Grade 1 Performance Task

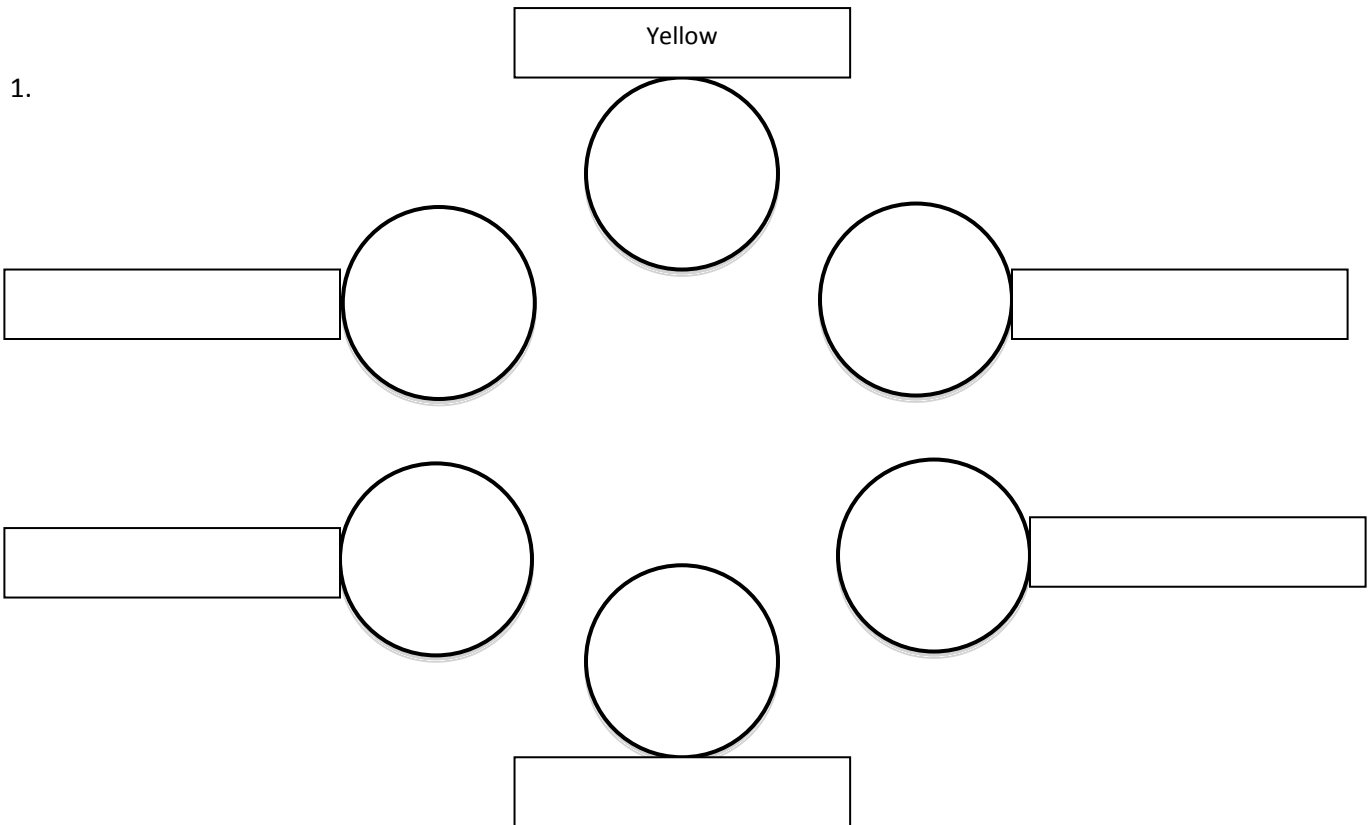

### Task Activity

---

#### Part I: Coloring the Color Wheel

Complete the color wheel below. Color the primary and secondary colors in the correct circles. Use your pencil to label the colors in the correct box. The color *yellow* has been labeled for you. Use the word bank at the bottom of the color wheel to label the remaining colors.

1.

Word Bank

- |        |                 |
|--------|-----------------|
| Blue   | Violet (Purple) |
| Green  | Red             |
| Orange | Yellow          |
